THE WHATEVER

Darran's Bit!!!

Hi Gang,

Thanks you for all your hard work over the past few weeks to get everything completed for our 2011 season. Over the next few weeks we will polish all the items ready for our full show run through on the Sunday of the weekend rehearsal. It's time to step up to the mark on several fronts and deliver! Deliver without excuses, without limits, without hesitation. But you have to choose to do so! Let me tell you why.....

You can be in your comfort zone or you can achieve **greatness on stage**, but you can't have both.

You can be vaguely interested in selling tickets or you can be **sold-out-committed to full houses**, but you can't have both.

You can have excuses or have **remarkable results**, but you can't have both!

It's time to show that Adelaide Gang Show tenacity of spirit – the spirit that refuses to accept second best; that demands high expectations of yourself; that believes in your talents, your strengths, your ability to work as a team; that has a strength of purpose to overcome the toughest challenges and a sense of humour to enjoy every moment of it. This is what Adelaide Gang Show has been known for.

Keep up the fantastic work and keep selling those tickets, and remember to keep having FUN!!!!
